I would like to inform you that I benefit from listening to XM Satellite Radio and its traffic, weather and news channels , since I travel frequently in my job. XM satellite radio provides me with variety, quality and uninterrupted service that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear.

I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.
